

Texans in the Confederate Cavalry (Paperback)

Filesize: 2.38 MB

Reviews

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.

McWhiney Foundation Press, United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. Texas Rangers had patrolled on horseback since the early days of the Republic. Texas military heritage, born in a revolution from Mexico in the 1830s and maturing in the Mexican-American War of the 1840s, shaped all who lived there. Now, years later, a handful of these veterans and a generation raised in this heritage would make a colorful and heroic contribution to the Civil War as unique and independent horse soldiers. This is the picturesque story of their battles and skirmishes where the often outnumbered cavalry, through bravado or sheer madness, frequently helped turn the tide of battle . . . from Colonel Parsons assault on the Federal Navy during the Red River Campaign of 1864 to Terry s Texas Rangers with General Wheeler s horsemen tirelessly badgering Sherman on his March to the Sea, it s all here. A lively and picturesque narration by a respected historian.
