HarperCollins Publishers, United Kingdom, 2001. Paperback. Condition: New. Jim Durk (illustrator). Language: English . Brand New Book. From fruit eating bats to smart chimpanzees, from moles in their holes to seals in the seas , Dr. Seuss famous Cat in the Hat takes young readers on a fun-filled tour of the world of mammals. This title forms part of a series of books that takes a look at natural history through a fun combination of Seussian rhymes and zany illustrations. Aimed at beginning readers - from four to seven years old - the books are designed to bridge the gap between concept books written for preschoolers and more formal non fiction titles that require fluent reading skills. By presenting the facts in a lively and rhythmic manner, they provide the critical foundation upon which complex facts and ideas can eventually be built.
