

K)information

By Klotz, Maren

Condition: New. Publisher/Verlag: Campus Verlag | Gamete Donation and Kinship Knowledge in Germany and Britain. Dissertationsschrift | Eigene und Fremde Welten Openness about sperm and egg donation and the regulation of donor anonymity or non-anonymity are new phenomena. How do affected families, clinics, and regulators deal with information about gamete donors and the donation itself? And how does this knowledge management contribute to the creation and enactment of kinship? Addressing these questions in Germany and Britain, this ethnography makes a comparative contribution to the empirical and theoretical analysis of kin-formation and social change. Maren Klotz reveals a contemporary renegotiation of the values of privacy, information-sharing, and connectedness as they relate to the social, clinical, and regulatory management of kinship information. Transparency, not genetics, is the moral imperative, and instead of an unambiguously discernible "geneticization," her findings on donor non-anonymity and parental openness display a pattern of "transparentization." This pattern represents a shift in authority over kinship away from the sometimes highhanded reproductive medical profession towards concerned groups, parents-by-donation, and policymakers. Bekommt ein Paar ein Kind mithilfe von gespendeten Ei- und Samenzellen, stellt sich die Frage, wie diese Familie mit dem Wissen um die Spende im Alltag umgeht. Maren Klotz untersucht, wie Verwandtschaft vor...

Reviews

Absolutely essential read through pdf. it was actually writtern extremely flawlessly and valuable. You will like how the writer publish this book.
-- **Destin Leffler**

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
