Immunity and Specific Therapy (Classic Reprint)

By W D Este Emery

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Immunity and Specific Therapy In writing this book I have attempted to give a connected and symmetrical outline of the chief facts definitely known with regard to the method in which the body protects itself against infections, and of their applications in the diagnosis, prevention, and treatment of disease. It is not written in support of the views of any particular school of thought, and, when dealing with subjects still under discussion, I have tried to give a fair and impartial, though necessarily succinct, account of each of the rival theories. The factors in many of the problems of immunity are so complex, and our knowledge of the subject grows and alters so rapidly, that it is quite impossible to deal with it dogmatically at the present time. I have kept in view, as far as possible, the requirements of the physician and surgeon who may require an epitome of the theoretical basis of the modern methods of diagnosis and treatment, now assuming so much importance, and of the student who desires a general survey...
