Lieh Tzu s Hsing Shih Sheng Psychotherapeutic Commentaries: A Wayfaring Counselor s Rendering of the Nature of Real Living (Paperback)

By Raymond Bart Vespe

Regent Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Lieh Tzu, here titled as Hsing Shih Sheng/The Nature of Real Living, is a principal text of the ancient Spiritual tradition of Chinese Taoism. It is a compilation of narratives recorded over two-thousand years ago and is a companion text of Lao Tzu s Tao Te Ching/The Tao Virtuosity Experience and Chuang Tzu s Nei P ien/The Interior Records. It is set in the same historical time period of great human conflict, social upheaval, political intrigue and bloody warfare among competing feudal states. Not only offering guidelines for wise ruling and true being, the narratives illustrate poignant vicissitudes of universal realities and practicalities of the everyday living and ordinary experiences of human beings and some of the difficulties associated with seeking, pursuing, acquiring and displaying excessive status, fame, wealth, profit and power. The present work is an original rendering of one-hundred eleven of the narratives along with their psychotherapeutically-oriented commentaries that have complementary applications for conducting and participating in the attending relationship/process of psychotherapy. The commentaries are not only relevant and useful for professionals but also for anyone who is interested in...
