SPIRITUAL HEALING: TAO, YIN YANG, WU WEI: HOW ANCIENT CHINESE WISDOM CAN TREAT OUR PERSONAL AND SOCIAL PROBLEMS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Spiritual healing is a method for cultivating our health, our true nature and our inner potential. It is a beautiful, personal harvest for body, mind and spirit in tune with the universal laws and the elements of nature. Our journey to spiritualism basically has three realms: the first is our view of life and the teachings, and how we cultivate the correct philosophy of these teachings in daily life. The second is a system of meditation: being an observer of everything - reality, our emotions, thoughts, conflicts and ideas. The third realm is action: how we try to eliminate our ego, nurture and enhance our best human virtues, and apply the high energetic vibration of love and compassion in our lives. A modern Taoist masterpiece. Niko Trian through his long time experience in Chinese medicine and philosophy reveals a guidance that is academic, humorous, profound and mind-nourishing. I read this book again and again and I always discover something new. Genevieve Takemae Health Consultant One of the best books about spiritualism ever written Swami Ashish Ananda.
