PRINCESS ZARINA (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Princess Zarina is a new children s book for girls that shows how our shallow judgements about life, the other s appearance and their worthiness are nothing. The book makes an accent that life and family are not perfect at all. Family cannot exist without patience, love, respect and compromises. Life is not just a bright journey, but it gives us a lot of challenges, we should struggle with as well. Princess is not just a beautiful Barbie, but a smart thoughtful creature. Love is not a perfect picture of your partner with flawless face and flashy talents but deep moral values of life, life experience, and education. The fairy-tale with captivating atmosphere of East romance is about raising kind, respectful and tolerant children. Furthermore, it helps us realize self-importance of every human or animal. Every creature is unique. Noone is better than another one.All these important concepts are rendered through depiction of desert animals, Camels, that live in the Kingdom of Arabian Camels. Princess Zarina is a perfect book for learning how to be brave, strong, determined, hard-working and devotional to partner and to your values. Just look at these lovely illustrations and vivid descriptions of the desert, and you will fall in love with Princess Zarina.
