---

By Jaime Rush

HarperCollins Publishers Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Tucker has always known he was different. But he's learned to control the Darkness within him, to keep his inner wolf at bay, as long as he doesn't fall in love. And that shouldn't be a problem because he hasn't seen his one true love since he was a teenager. Del needs help, desperately. And the only person she can rely on happens to be the one man she knows she shouldn't seek out. Tucker's fierce protective instincts have scared her before, but she has to take the risk. Now that they're reunited, the love they struggled so long to forget rushes back stronger than ever. The temptation to give in is high, but it could cost them everything. And when Tucker's wolf is unleashed, will they be able to save themselves?.
