Dover Publications Inc., United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. A powerful rendition, an incomparable tale. -- The New York Times Definitely a book to preserve and cherish. -- Chicago Sun The first complete English edition, brilliantly translated. Throughout it retains the beauty and sense of fatality that have made it one of legendary literature s most fascinating tales. -- Time This immortal tale from the Age of Chivalry concerns the doomed love between a knight and a princess -- one of the great romances of medieval literature, along with that of Lancelot and Guinevere. The heroic Tristan, nephew and champion of King Mark of Cornwall, journeys to Ireland to bring home his uncle s betrothed, the fair Iseult. Their shipboard voyage takes a tumultuous turn with a misunderstanding and a magic potion, and the lovers quickly find that there s no turning back. An enduring theme in Western art, literature, and music, Tristan and Iseult s tragic tale was most famously interpreted by Richard Wagner in his popular opera. This edition features J. Bedier s seamless weaving of many medieval sources into a captivating narrative, complemented by Hilaire Belloc s eloquent translation.
