Be sure to select him yourself, as tastes differ. Do not go to market for him, as the best come to your door. It is far better to have none unless you patiently learn how to cook and serve him. They are easily spoiled by mismanagement. Do not begin as if they were bladders and blow them up. Do not keep them in hot water, or let them freeze by carelessness. It is not well to keep them in a stew, neither would I advise roasting them. Some keep them in pickle all their lives. No husband will be tender and good managed in such ways, but they are really delicious when properly treated. Like crabs and lobsters you have to cook them while alive. So wrap one in linen nicely washed, and having the required number of buttons...

Reviews

This ebook is definitely not effortless to get started on reading through but very fun to read through. it was actually writtern very perfectly and valuable. I discovered this ebook from my dad and i suggested this book to understand.
