POLICEWOMAN S MANUAL (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Policewoman s Manual Doctor lois lundell higgins has done an excellent study of the role of the modern policewoman in terms of her relationship to the community and to modern law enforcement procedures and philosophies, and has provided a valuable service to her fellow policewomen in producing this guide and manual. Lois Higgins own stature as a social worker, teacher, and policewoman should prove an inspiration to others already working in this field and to young women who may be considering law enforcement as a career. Her great sense of fairness, her personal dignity, and her belief that a career as a policewoman must be founded on integrity and a genuine wish to be of service to the community should go far to elevate the status of the profession with both students and the public.
