SCALA IN ACTION (PAPERBACK)

Manning Publications, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. DESCRIPTION Even within a single application, programming problems often lend themselves to a particular style of programming - functional, imperative, dynamic - but most languages require you to choose a single approach before you start. Scala is a statically typed, JVMcompatible programming language that blends the object oriented and functional programming models, giving one the flexibility to use the right approach for each specific case. Scala in...

Reviews

This book is great. it absolutely was writtern quite properly and beneficial. Its been written in an extremely basic way and it is merely after i finished reading through this ebook in which basically changed me, affect the way i really believe.

-- **Leopold Schmidt**

An exceptional publication and also the typeface applied was fascinating to learn. It normally will not expense excessive. Your life period will be transform once you comprehensive looking over this pdf.

-- **Rachelle O'Connell**

Just no terms to describe. This is for those who statte that there was not a worth studying. I am just easily can get a enjoyment of studying a written ebook.
