This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).

SINFUL INTENT

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Someone was after her and it was my duty to stop them. Never cross the line. That had always been my rule. But that was before Race True. The moment I saw her, I wanted her. But there was a problem. She wasn't just another pretty face - no, she was my first client at ALFA PI. My take-what-I-want attitude shouldn't include her, but how the hell can I be expected to keep my hands off? The danger that followed her had my protective instincts in overdrive. And as the clock ticked down, the choice was laid out before me: save her career or risk everything and have her in my bed. Could I put aside my wants for her needs? Or would my selfishness destroy everything in the process? Warning: If you can't handle a dirty-mouthed bad boy or a tough woman with an attitude, this might not be the book for you.
