Welcome to Red Twilight, here monsters may be beautiful, and men might become demons before your vary eyes. With Richard Blake (a young psionic) as your vanguard, experience a world ruled over by a secret government, and where the peaces we enjoy is enforced by unspoken laws and unseen enforcers. Here begins a the first act in the battle between man and plain-shifters, this time to be fought in the eyes of the commonwealth. Nine travelers will face off against nightmares over there own making in a labyrinth overlorded by Cravixs, a powerful warlock from another world, and his general A fallen angel, Job the Endless. Here in striking events that will change the course of history as we understand it., now begin the journey into Red Twilight. All of you, look at yourselves, and look at the men and women with you. What do you see? Ten men lost and afraid? I don t. I see destiny, not happenstance. Vampires, demons, aliens-it shouldn t matter. We have a purpose, and we have power. Who are we? A witch, A warlock, and a cleric, Jacob points at Trash, Pistol, and himself. A white knight and a giant, he points to El and Lacerti. A marshal arts master, and two rogues, he points out Spooky and the Gekks brothers. There is but one monster down here, and it is no man, it is a philosophy-the philosophy of hate and greed and lust. It poisons our hearts and our minds with its filth, killing us from the inside out. But we are the divine, we are chosen, to consecrate this place, this idea, this evil. -Father Lances Jacob-.
