Reviews

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

(Raina Simonis)

MINIMAL CRIMINALS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It was Friday night and everyone was either gone or dead. Benedict Spender, ex-quarterback turned snarky-cop, gets his day punted into the odd-ball endzone when Hollywood's most eligible bachelor ransacks a major casino, loots an armored car, abducts a teenage daughter and then blackmails a corrupt executive, all while a lightning storm plays Whack-a-Mole on meandering pedestrians. But it kicks the can out of uncanny when this derring-do fashion-bachelor pins the entire caper on some avant-garde Robin Hood with firefly eyes and hair like a chocolate waterfall. I was on a Hell-Ride with Lucifer's Liberal! Meet some shady-ladies with clothes so incriminating they have to be shredded, a snowball of a dog that pooches the scene and Darth-Kermit, a baritone frog-monster from the dark side. An enjoyable novel-noir that will keep you equal parts intrigued, enraged, enthralled and enlightened. Because. One should always be advised of one's demise, don't you agree? Elegantly illuminated with a collage of computer graphics and classic illustration.
