Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

Graphic Universe. Paperback. Book Condition: New. Julien Neel (illustrator). Paperback. 48 pages. Dimensions: 10.5in. x 7.6in. x 0.2in. Meet Lou! She's hardly your average 12-year-old. Her handmade outfits are the talk of the school (even though they make the other girls laugh), and her homework gets a lot of attention from her teachers (even though it lands her in the principal's office). Home sweet home is an apartment she shares with her couch-potato mom and a cat named Cat. At least she can pour her heart out to her best friend, Mina, and scribble her dreams in her secret diary. Now that she's almost a teenager, Lou's life is becoming even more interesting. Playing with dolls has lost its appeal and the boy across the street gets cuter every day. The new neighbor, Richard, just might be the perfect match for Lou's mom. But will Lou or her mom ever pluck up their courage and actually talk to their crushes? The Lou! graphic novels are popular around the world and have been translated into 14 languages. She is also the star of her own cartoon in France. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
