For anyone who wants to sort out their life but doesn't have time to plough through hundreds of pages of self-help tomes, the new Sorted in 30 Days series provides a quick-fix solution to those nagging concerns that prevent life from running as smoothly as it should. Written by life coach and journalist Caro Handley, Sorted in 30 Days is a series that offers practical advice on the key issues which are dominant in all of our lives. Each book will be based on a promise that if the readers do what is asked of them, they will have made major differences in their lives by the time they finish the book.
