Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.All artists struggle, wondering how to make ends meet while doing their art. As an artist, I went to figure drawing sessions until I got really good at drawing naked bodies. I thought the next stage in learning was to be able to touch the body. I had also been on television and print for my activism through art. I needed to up the ante. As a writer, then, I already had a monthly column on the arts. I was ready for my next move. I wanted to write books-memoirs and related stories. I became a masseur to kill two, or even ten, birds with one stone. To touch the body and improve my figurative art and pay the rent. Maybe I will find a story from the adventure. but the story found me! I met Celebrities, Authors, Taxi Drivers, Actors, Singers, Radio Personalities, Hustlers, Leaders, Art Auction Experts, CEOs, Chairmen of the Board! They all had something to share to keep the flame going for people like me who are not yet successful! The hour-long massages for them became, to me, inspiring, wonderful hour-long mentoring sessions of leaders and dreamers who have achieved their goals. I was looking to write my story, but they gave me their valuable real-world teachings.
