OSHA 3122-06R, Principal Emergency Response and Preparedness Requirements and Guidance, addressed the fact that the importance of an effective workplace safety and health program cannot be overemphasized. Please review the current OSHA standards applicable to your work operations to ensure your compliance. NOTE: The Americans with Disabilities Act (ADA) imposes specific obligations on employers relative to employment of individuals with disabilities. The United States Equal Employment Opportunity Commission s website provides employer resources for addressing ADA requirements in private workplaces, including Enforcement Guidance on Reasonable Accommodations. The Job Accommodations Network publication Emergency Evacuation Procedures for Employees with Disabilities provides planning information and resources on emergency procedures for employees with disabilities. To use this publication effectively, you should review the standards identified for your industrial sector(s) and determine if they apply to your workplace. Each standard listed in this publication includes a general description of...
