Secret London: Exploring the Hidden City with Original Walks and Unusual Places to Visit

By Andrew Duncan

Interlink Books. Paperback. Condition: New. 192 pages. Dimensions: 8.2in. x 5.8in. x 0.7in. Secret London is an essential companion for anyone committed to discovering the true heart of one of the worlds greatest capital cities. In more than 20 miles of original walks, distinguished historian Andrew Duncan uncovers Londons best-kept secrets. From ancient waterways and the vast network of tunnels that weave their way beneath the citys streets to easily missed courtyards and gardens- each walk is full of surprises. Andrew Duncans fascinating text delves beyond the obvious to reveal both Londons little-known gems and the remarkable histories of its most famous landmarks. Readers will be delighted to discover the existence of long-buried rivers, the remains of Roman structures, the web of top-secret offices, wartime shelters, and prison cells beneath the asphalt. Here, too, are intriguing tales of the rancorous battles over the statue of Eros, the mystery surrounding the Coade stone lion, and the grisly secret in one of Westminster Abbeys broom cupboards. Full-color photographs capture the treasures tucked behind every corner, while clear, easy-to-follow route maps highlight places of special interest. Secret London is without doubt the definitive guidebook to the private side of this very public city.
