Oro Editions, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. The featured projects demonstrate the intersection between HOK's thought leadership in specialty areas including aviation, transportation, sports, healthcare, science and technology, interiors, urbanism, tall buildings, sustainability, and the firm-wide commitment to design excellence. The projects are geographically diverse, represent a variety of scales, and are technologically advanced. They are examples of how great design can bring significant benefits to clients, building occupants and communities. This book is a valuable reference source on global trends for design professionals, students, and architecture enthusiasts. It provides insight into the creative process of the teams creating society's next generation of buildings.
