Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This art handbook is designed to furnish the information necessary for intelligent appreciation of the purely artistic features of the Exposition. It is planned first to explain the symbolism of the architecture, sculpture and painting; and second, to point out the special qualities that give each artistic unit its individual appeal. It is made for the intelligent observer who, having enjoyed the purely aesthetic impression of the various works of art, feels a legitimate curiosity about their meaning.
