This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1883. Excerpt: . . . 5: XVIII. night to my darling Effie; ppy, sweetheart, and grow wise: --Theres onekiss for her golden tresses, And two for her sleepy eyes. UNSEEN. There are more things in Heaven and Earth than we Can dream of, or than nature understands; We learn not through our poor philosophy What hidden chords are touched by unseen hands. The present hour repeats upon its strings Echoes of some vague dream we have forgot; Dim voices whisper half-remembered things, And when we pause to listen--answer not. Forebodings come: we know not how, or whence, Shadowing a nameless fear upon the soul, And stir wi thin our hearts a subtler sense Than light may read, or wisdom may control. And who can tell what secret links of thought Bind heart to heart Unspoken things are heard, As if within our deepest selves was brought The soul, perhaps, of some unuttered word. But, though a veil of shadow hangs between That hidden life and what we see and hear, Let us revere the power of the Unseen, And know a world of mystery is near. A REMEMBRANCE OF AUTUMN. Nothing stirs the sunny silence, --Save the drowsy humming of the bees Round the rich ripe peaches on the wall, And the south-wind sighing in the trees, And the dead leaves rustling as they fall: While the swallows, one by one, are gathering All impatient to be on the wing, And to wander from us, seeking Their beloved Spring!...
