LIFE OF A DOGGIE DIVA (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This little book contains the story of a dog named Ming, who s ego could not be adequately described in a thousand pages. In her own mind she was the most important person in the house and the rest of us were only her servants. To Ming, a camera was merely a device invented to record her doggie greatness, and this book contains a number of her best color photos. We gave her unconditional love and in return she became a character that wrote a book. Long after her pathway in the yard is gone, the path that she made in our lives will remain deeply imprinted.
