Islamic Supreme Council of America, United States, 2010. Paperback. Book Condition: New. New.. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Jihad is a term that has become universally known today. What is meant by this word, which invokes frightening images of men in masks, wearing suicide vests, brandishing automatic weapons in one hand while holding the Holy Quran in the other. Is Jihad an ongoing war directed at converting non-Muslims to Islam at the edge of the sword? Or is it an ideological movement to establish an Islamic empire stretching from the Far East to the Far West? From what we see in the nightly news, it appears humanity is headed for the sort of clash of civilizations that Samuel Huntington feared. In reality, this is no clash between Islam and the West, or between Islam and Christianity. Were it the case, Muslims would be attacking the Christian communities in their own nations. While isolated conflicts along these lines occur, they have never been the prime focus of the Jihadist movement. What we are witnessing instead is a clash between people with power and those without. It is a conflict rooted in the history of colonialism and perceptions of present-day imperialism. It is a conflict in which religion is simply a means to an end. We must recognize this if we are to understand the true nature of the so-called Jihad the militant Islamists invoke and its increasingly global character. In this book we would like to shed light on the meaning of Jihad in the traditional understanding of Islam. The concept of holy war does not occur in the term Jihad. Rather the meaning of combative Jihad expressed in Qur an or hadith is simply war. That said, we will show in...
