Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you always forgetting your website logins, usernames and passwords? Do you have lots of sticky notes or labels around the house to remember them? Would you like to find a better way? Horse Play is a secret password notebook that is disguised as a paperback about horses. Add all your website information in one handy place to organize your internet life. This password book is designed for people who adore horses. The attractive design is a password journal with a difference. It was created so that opportunist thieves won't know what it is at a glance. This means that you can hide it in plain sight on your bookshelf at home with other books. What you can expect from this internet password organizer: Tabbed effect alphabetical pages Are you looking for a password book with tabs? This horse password book has alphabetical tabs running down the right page. For an added bonus, if you flick the pages, hoof prints run down the side of the page as the tabs disappear! Disguised cover to make it not so obvious what it contains There are several password logbooks on the market but this one was created so it could be hidden in plain sight. It looks like a photobook from the outside but inside there are gorgeous kittens playing around 3 boxes for your login information on each page. Section on creating secure passwords There are risks to however a password is stored. These can be from online thieves or opportunist burglars. At the front of the book is a brief section for creating a secure password that can be written down but can't be used by someone...
