Gildan Press, 2017. Hardback. Condition: New. Language: English . Brand New Book. The secret to business success is intuition. It s not just a matter of following you hunches. It s about following the right hunches. Being able to sense people s inner thoughts and needs helps you say and do the things needed to quickly reach your goals and achieve success. Many people know this, but many also believe that a good sense of intuition is something that you re just born with-not something that you can develop and train. Jose Silva, developer of the world-famous Silva Mind Control Method, had proved them wrong. Now, with Mr. Silva s state-of-the-art UltraMind Intuitive Guidance System for Business, you can learn how to use your intuition regularly and reliably. You will learn how to: Program yourself to do the right thing at the right time in order to take advantage of opportunities and increase income.Sense what other people s real wants and needs are so that you can say the right thing at the right time when negotiating, managing subordinates, or reporting to superiors and shareholders.Learn mental techniques to establish immediate rapport with co-workers, customers, clients, and suppliers.Program your work environment for success.Trust your judgment and your decisions and end doubt and second-guessing.
