Brand New Book ***** Print on Demand *****.How I Predicted the Global Economic Crisis*: The Most Amazing Book You ll Never Read * and the collapse, the housing crash, the banking crisis, the stock market plunge, the length and depth of the current recession, the bankrupting of Fannie and Freddie, Europe s debt problems, the muni-bond meltdown, a doubling of gold prices and the even bigger world economic crisis yet to come Think it s over? If you don t understand the real causes of the current crisis, it may cost you your job, your savings, your home and your country This is an introduction to the writings of the best selling author John R. Talbott, a former investment banker for Goldman Sachs and previously a Visiting Scholar at UCLA s Anderson School. In his books, Talbott, called an oracle with a track record by Bloomberg News, has accurately predicted every single financial crisis for the last twelve years. In this book he summarizes what he believes are the key underlying causes of the current crisis and explains why you better understand them if you are to protect your wealth and your family as there is an even bigger crisis coming on the horizon. In down to earth, easy to understand prose, Talbott relies on excerpts from his previous books along with new exposition to explain to all type readers, not just economists, that it makes little sense to attempt reform of Wall Street as long as the banking industry controls our congress through lobbying and campaign contributions. You will quickly realize the genius of this straight talking progressive who thinks the biggest crime of this crisis is that no banking executive has been imprisoned. A must...
