To do this it became necessary to establish the fact that the applicant for membership is the descendant, directly or collaterally, from one who had served his country during the war of the American Revolution in the civil or military departments of the government. The ancestry of the writer has been traced from the year 1523 down to the present time. Such information as has been given of the paternal and maternal ancestors of the writer; of the various public places filled by them, and of the services rendered by them to their country in Revolutionary times, has, necessarily, been briefly sketched - want of time and other circumstances being accountable therefor.
