A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ALASKA CLASS CRUISERS: USS ALASKA, USS GUAM (WARSHIP PICTORIAL 43).

Classic Warships Publishing, 2015. Condition: New. 72 pages, 75 photos. Photographic history of the cruisers of the Alaska class, of which three were laid down, but only two, USS Alasaka CB-1 & USS Guam CB-2 were completed. Many have thought of these warships as battlecruisers, but the US Navy classified them as 'Large Cruisers'. Their completion late in the Second World War, only allowed them to see action for the last few months of the war, then they were soon retired. Contains photos of the two ships completed, as well as photos of the third incomplete vessel of the class, Hawll. A brief history on these cruisers is provided, as well as informative captions about details seen in each photograph and statistical data. Brand new 11 x 8 paperback. CWP43CSN.
