Goretti Rerri, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis My Box of Chocolates: How My Child with Autism Learned to Read, Write and More is a captivating mother's account of educating her daughter Teresa, who at age 3 was diagnosed with Autism Spectrum Disorder (ASD). Rerri's memoir describes a roller coaster of challenges and successes-academic, communicational, social, and behavioral-spanning from Teresa's birth to her high school graduation. Rerri emigrates with her three children to New York City to join her husband who is already in a medical residency program. When her youngest child, Teresa, begins exhibiting atypical behaviors as a toddler, Rerri grows highly concerned. After a myriad of assessments and evaluations, Teresa is diagnosed at 3 years old with Autism Spectrum Disorder (ASD). And so begins their exceptional journey. Stunned by the diagnosis, Rerri is determined to find appropriate services, interventions, and treatments for her child, despite disappointing setbacks. Teresa's many difficulties through elementary, middle and high schools are sprinkled with humorous moments and positive achievements that parents, friends, and family members of those with disabilities will find heartwarming. Teresa herself is a bright, engaging spirit. This inspiring tale demonstrates the power of love and perseverance and will provide valuable information, encouragement, and hope to young families living with autism and other challenging conditions.
