Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The following chapters were written at a time when the craze for indiscriminate church-restoration had just reached the remotest nooks of western England, where the wild and tragic features of the coast had long combined in perfect harmony with the crude Gothic Art of the ecclesiastical buildings scattered along it, throwing into extraordinary discord all architectural attempts at newness there.
