Lighthouse Publishing, United States, 2008. Paperback. Book Condition: New. 213 x 140 mm. Language: English. Brand New Book ***** Print on Demand ******. Liberal, top musician eventually discovers that liberalism is harmful. and changes his views! The Plague Of Liberalism spells out the history and reasons for the moral, ethics and mental health decline in the U.S. in the last 40 years. Statistics are used to confirm this decline. This book also gives solutions to how it can be reversed - both on a societal and a personal level. It shows how liberalism is out of harmony with, and actually harmful to, nature and compassion - both of which it ironically claims to champion. And it shows how its propaganda is not based on truth, and (based on the author s expertise in addiction) how its most vocal proponents suffer from a psychological disease, which the author calls freedom addiction. He says this disease has reached plague proportions. The author is an ex liberal, having been a hippie in San Francisco during the 60s and 70s and a member of some very famous music groups - Sly The Family Stone, The Tokens (famous for The Lion Sleeps Tonight), and The Elvin Bishop Group. He now says, The responsible and loving thing for the me generation to do for the next generations is to reverse the damage they we done to the world they re handing over to them. But this book isn t about judging people. Its focus is beauty, harmony and love - showing that the world would be a better place if God and His ways were honored and followed. Whereas statistics and history show that liberalism has been causing a lot of pain for a lot of people. Contained in this book: - How global warming...
