VR Ediciones, 2017. Paperback. Condition: New. Language: English,Spanish . Brand New Book. Arden Huntley has always been loyal, but she s tired of being that way and worrying about people who do not truly care for her. That includes her mother, who walked out the door without thinking twice, and her best friend, who only thinks about herself. One day, Arden comes across the blog Tonight the Streets Are Ours and feels that she has a lot in common with the young New Yorker named Peter who writes it. She wants to meet him. She travels to New York, but can only spend one night there. A lot can happen in one night, including discovering she is not the person she thought she was.
