This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Use the power of story and journaling to reveal God's map made especially for you. Trust the Mapmaker on your journey. We came into this world seeking to find our place. My hope for you is that this book will give you a pause button, letting yourself become more in touch with the thoughts that reside as soul truths for you. I believe that many of my soul truths explored in this book are human truths that connect us. Think of this book as a stopwatch resting in your hand. We need to pause in our lives to create the stillness needed to witness. Only when we are still enough to witness our lives can we know where we are in our journey. Use this book as a time to quiet the world down so that you can begin to hear the messages designed just for your heart and your soul. The book covers topics including motherhood, friendship, marriage, divorce, childhood cancer, abuse, our own mortality, and life purpose. In sharing our own stories, we can release others from their own prison. There is power and healing in sharing. Journal to reveal your messages....
