

Head Winds (Paperback)

By Steve Carlsson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. WHAT THE HECK IS LIFE ALL ABOUT? Have you ever wondered? I know I have! It s like we all scurry about doing this and that - things that seem very important at the time, but which just boil down to us copying others. That realisation made me ask, -Why? Why don t we strive to be more unique?- To find the answer, I examined the adventures and events that have happened to me over the last fifty years. I looked back. And I realised that, like so many, I followed where, maybe, I should have lead. I went from a revhead to an airhead as the cover of this book suggests. Then I discovered the joy of writing. And now, after half a century, I m looking ahead. I hope some of these musings strike a chord with you. We can t be the only ones wondering, -What the heck is life all about?-.
