Hurst & Company, London, UK. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Statecraft in Myanmar, previously referred to as Burma, has a lineage going back ten centuries or more. Riven since independence by armed ethnic and ideological conflicts that lasted most of the years between 1948 and the 1990s when ceasefire agreements were reached with multiple insurgent armies, Myanmar's little studied politics contain elements common to many countries. However, in few have the complexity of forces, historical and contemporary, religious and secular, foreign and indigenous, come together in one place to create so many little understood, and seemingly irresolvable, political issues. The State in Myanmar attempts to draw the complex history...
