Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

(Matilda Hoeger V)

ARISTOTLE FOR EVERYBODY

Touchstone. Paperback. Condition: New. 288 pages. Dimensions: 8.2in. x 5.4in. x 0.6in. Aristotle (384 - 322 B. C.) taught logic to Alexander the Great and, by virtue of his philosophical works, to every philosopher since, from Marcus Aurelius, to Thomas Aquinas, to Mortimer J. Adler. Now Adler instructs the world in the uncommon common sense of Aristotelian logic, presenting Aristotles understandings in a current, delightfully lucid way. He brings Aristotles work to an everyday level. By encouraging readers to think philosophically, Adler offers us a unique path to personal insights and understanding of intangibles, such as the difference between wants and needs, the proper way to pursue happiness, and the right plan for a good life. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
