Overdue Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Time travel with Kristi and Ty to the battlefields and horror-filled hospitals of the American Civil War in Time to Heal. It s bad enough Kristi Connors has to share a room at school with her annoying stepsister. She s also had no news from Ty, her best friend and fellow time-traveler who stayed behind in 1858 after their last trip into the past. He seems to have disappeared from history! Did he continue to work on the Underground Railroad? Become a surgeon? She finally discovers the heartbreaking truth: Ty was killed during the Battle of Antietam. Kristi decides she must return to the past again to save him. Meanwhile, back in 1862, after a close friend dies from a battlefield wound, Ty volunteers at a hospital in Washington. Given the dirtiest, smelliest, most menial jobs, he works day and night to improve the wretched, filthy conditions there, but the doctors won t listen. When he s finally sent to the battlefield, can he avoid the same fate as his friend? Kristi time-travels to Washington in 1862, but Ty has already left the hospital. She follows him to Antietam by working as a nurse for Clara Barton. In the end, will she be able to convince Ty to leave the battle and save himself? Or will her best friend become a number in the history books, just one more among the over 700,000 casualties of America s bloodiest war? Find out in Time to Heal, Book III in the American Epochs Series.
