Poisoned Pen Press, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. David Randall s perfect family life came derailed when his little daughter Lindsey died in a car crash. Thrown out by his second wife and wanting to leave a dead-end detective agency to start his own, he reluctantly accepts his psychic friend Camden s invitation to stay in Camden s boarding house in Parkland, North Carolina. Meanwhile, working the case of the murder of Albert Bennett, Randall s only clue is a notebook filled with odd musical notation. When another client, Melanie Gentry, hires him to prove her great-grandmother was murdered by her lover, composer John Burrows Ashford, over authorship of Patchwork Melodies, Randall sets out to find a connection to Bennett s murder, as well as to the murder of a Smithsonian director, who was preparing a new PBS documentary on early American music. Randall s investigations lead him to another notebook, where he finds not only Two Hearts Singing, Ashford s most famous song, but a valuable early copy of Stephen Foster s Oh! Susanna, hidden in the cover. But things become more complicated when Ashford s spirit parks itself...
