

Couples Journal (Paperback)

By Alun Hill

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Journaling as a couple is a fun way to learn more about one another. It s a way to document your goals, hopes and dreams. It s an easy way to communicate and plan for your future. In addition, journaling is a great way to share your gratefulness and appreciation for your partner. You can document your concerns, your love, your decisions and your accomplishments. This journal will be a great memento to look back upon in the future. It will be a treasure for your children to look through when they become adults. There are many ways you can journal as a couple. You can create a book with one person journaling on the left side and the other on the right. You can each take a part of a single page collectively write with different colored pens. To make your journal even more special, add photos, tickets, receipts, poems, cards and other items that you want to remember. Before you get started, talk to your partner about what you hope to accomplish with the journal. Discuss what you want to...
