Pearson, United States, 2013. Book. Book Condition: New. Student. 277 x 224 mm. Language: English . Brand New Book. The Big Picture of Child Development. The exciting first edition of Child Development: A Topical Approach is arranged in a way that helps students to see the big picture of development across the entire span of childhood and adolescence. Offering a modular approach, this text provides a broad overview of the field of child development. It covers major topics such as physical development, cognitive development, and social and personality development. Child Development captures the discipline of Child Development in a way that excites readers about the field and draws them into its way of looking at the world. The text is rich in examples and illustrates the applications that can be derived from the research and theory of child developmentalists. MyPsychLab is an integral part of the Feldman program. Key learning applications include, MyVirtualChild, MyPsychLab video series, and Flashcards. This text is available in a variety of formats digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more.
