Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Descriptive History and Real Estate Guide to the Town of Winthrop: Containing Full and Accurate Descriptions of Over Six Hundred Building Lots and Beach Privileges, Beside Many Desirable Country Seats and Residences, Now Offered for Sale Pulling Point*, or in the obsolete orthography of our forefathers Pullen Poynte, was the original name given to the territory now lying within the bounds of the town of Winthrop, so called from the fact that the swift tides of the narrow channel between Point Shirley and Deer Island often necessitated a use of the tow-rope ere the heavy boats of the early fishermen could surmount the swift eddies of the narrow channel, then still deeper, narrower, and navigable for larger craft than now. Probably the vicinity of this narrow entrance to the harbor was resorted to by fishermen long before the settlement of Boston; but it is certain that, from the very first, the pioneers of the infant settlement set a high value on the forest-crowned promontory of Pulling Point. Of all the wide territory which lay around the central peninsula of Boston, it was set apart as too precious to become the property of individual holders; and by an act of council, in 1632, it was - Ordered, That the necke of lande betwixt Powder Horne Hill and Pullen Poynte shalte belonge to Boston, to be enjoyed by ye inhabitants forever.
