

Evolution s Edge: The Coming Collapse and Transformation of Our World (Paperback)

By Graeme Taylor

New Society Publishers, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Gold-winner in the Most Likely to Save the Planet category of the Independent Publisher Book Awards (IPPY). This brilliant book is a big-picture synthesis of the new curriculum for activists, educators, social and systems entrepreneurs, planners, and community organizers at all levels. Evolution s Edge is vital reading for activists, educators, progressive thinkers, and anyone concerned about the state of our world. A visually pleasing book, its generous use of graphs and charts make clear concepts such as our evolutionary footprint, projected climate change impacts, world populations and economic growth. - Kolin Lymworth, The Vancouver Observer Evolution s Edge is simply outstanding - easy to read, inspiring, thoughtful. Its ability to integrate environmental challenges with spritual issues, technological possibilites and systems evolutionary theory is fantastic. - Sohail Inayatullah, eidtor, Journal of Future Studies It is now five minutes to midnight on the doomsday clock, reflecting the fact that we are closer to assuring the obliteration of our species than we have been at any time since the early eighties. We are rapidly approaching a tipping point, where we will either transform our violent, exploitative global..
