THE BLESSING OF THE BONE: A BOOK OF POEMS (PAPERBACK)

Outskirts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I knew of a poem once which said that when you reach down below the surface of the pond, to where it was dark, you are able to gather the small gold coins which you might not have gathered if you had not taken that first cold plunge. These poems represent small gold coins and many years of reflecting, writing, and re-working. The topics range from childhood memories to motherhood, or from the loss of innocence to the loss of habitat. Many are about the longing for connection to a personal, interior habitat, or to another person. My attempts at capturing an event, feeling or emotion are earnest. Perhaps in this personal collection of poems you might find a similar thread in your own life, and in your own heart-world.
