The Tracker's Handbook: How to Identify and Trail Any Animal, Anywhere (Paperback)

By Len McDougall

Skyhorse Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Few experiences in the wild are as satisfying as tracking down an animal on its own terms on its own turf. Whether you're hunting, seeking to capture an animal's image on film or video, or simply trying to get closer to nature, successful tracking is a valuable, and disappearing, skill. The Tracker's Handbook was written to make anyone, no matter how much experience they have in the wild, better versed in the fine points of tracking North American wildlife. Len McDougall's book will also cover the modern tools that can make tracking easier. Over twenty different animals are profiled, including the New World Moose, American Elk, and Whitetailed Deer. Each section goes into fine detail, including the habitat and range; foods; mating and seasonal habits; tracks; scat (feces); signs; and vocalizations of the animals. Plus there are detailed sections on tracking and stalking techniques such as cold hunting, camouflage, and using the stump method. In addition to all of this, the book is rife with full gorgeous full color photographs, illustrating each point. For anyone looking to up their hunting game, for...
