

The Quran s Rejection of Jesus Christ as Lord and Savior (Paperback)

Filesize: 3.03 MB

Reviews

Good e book and useful one. It really is simplistic but shocks in the 50 % of your book. Your way of life period will probably be convert the instant you total reading this ebook.

(Myah Williamson)

THE QURAN S REJECTION OF JESUS CHRIST AS LORD AND SAVIOR (PAPERBACK)

Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is written for both Muslims and Christians. For the Muslim reader, it will: Challenge your belief that the Bible has been changed or corrupted and therefore it has been replaced by the Quran. Challenge your belief that Muslims and Christians worship the same God. It will help you to understand that Allah, the God of Islam is not Yahweh (the triune God worshipped by the Christians) and vice versa. Present another Christ (The true Christ who can save you from your sins) to you. For the Christian reader This book will give you insight into the mind and heart of the Muslim. The subject of Christianity/Islam is a broad subject, but this book narrows it down, dealing with the essential differences between the two religions. It can be a good tool for evangelism to Muslims and can also be a reference book on your shelf. It will also inspire or motivate you to share your faith with Muslims. I pray that the anointing on the author and the passion in his heart on the subject will rob off on you and that you will take the message farther afield than the author. Author Bio: For over twenty-five years the author, Rev. William Lamptey, has shared the gospel tirelessly with Muslims in three continents. For more than ten years he preached almost every Sunday at Speaker s Corner, London, to Muslims from all over the world. Because of his constantly sharing his faith directly with Muslims, he has gained an in-depth knowledge and understanding on the subject. He has an open letter from one of the leading Redeemed ministers in London to take to Nigeria to teach on the subject. Long before...
