WHEN GRACE FLOWS (PAPERBACK)

Wrigg Publishing, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You re burning out and your family, business, and ministry will burn with you! When Grace Flows changes that! When Grace Flows is a journey to unlocking the power of God s grace in your life. Being busy is a trap! Whether you are at work or home it seems being busy is the default. We are all hustling so hard, and the pay off is getting smaller and smaller. The answer is not more hustle. Underestimating God s Grace is not using your greatest weapon. You are trying to achieve your next milestone, lose that next pound, earn that next zero at the end of your income, even get through today! You cannot continue like this! 8 out of 10 businesses fail, every year more than 4,000 churches close their doors and ministries fall at the same rate. Burn out is a significant cause of these statistics, you don t have to be a number in this toll.
