Michael O Mara Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. This isn t a story about autism. It s a story about a young boy who happens to have autism, and there is a difference.John Williams is a stand-up comedian. He is also a single father and full-time carer for his son, who has autism and cerebral palsy. This is their incredible story.In 2012, John started a blog called My Son s Not Rainman, a heartfelt and uplifting account of everyday life for him and The Boy . Following on from the blog s amazing success, John felt there was still much more of their life, past and present, that he wanted to share. And not only of the challenges of bringing up a child who for too long was just dismissed as difficult , but also of the joy of living with someone who looks at the world in a unique way.My Son s Not Rainman radiates warmth, care and passion, not to mention laugh-out-loud humour, on every page. It is a brilliantly different story about a brilliantly different boy.
