CPT Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In 2013 Robert Menzies published the award-winning book, *Pentecost: This Story is Our Story*. Now, in his latest book, *Speaking in Tongues*, he focuses his theological spotlight on the biblical experience of speaking in other tongues as the Spirit gives utterance . Menzies thesis is that Jesus and the apostolic Church are models for the contemporary Church. This book is an engaging exposition of a thorny, if not actually contentious issue. It speaks to different readers in different ways. For example, it challenges those who oppose the doctrine and/or experience; it functions as a guide for those who may be confused or bewildered about the experience; and finally, it gives an apologetic foundation for those who are defending both the biblical doctrine and the contemporary experience. Menzies latest book, *Speaking in Tongues*, serves the Church well, and is, indeed, a must read. -Roger Stronstad, Scholar in Residence, Summit Pacific College, Abbotsford, BC, Canada. As always, Robert Menzies, one of Pentecostalism s leading scholars, provides careful exegesis, weighing various alternatives and coming to reasoned conclusions, offering fresh insights for all interpreters to consider. His passionate, pastoral concerns mixed with live observations, especially from our brothers and sisters in China, add further to this book s value. Even those who dissent from some of his conclusions should appreciate and learn from his magnificent literary explorations and intriguing proposals. This book should make us all the more grateful for the beautiful, Spirit-led gift of worship in tongues. -Craig S. Keener, F. M. and Ada Thompson Professor of Biblical Studies, Asbury Theological Seminary. Robert Menzies makes a compelling case for the fact that speaking in tongues was well known to the original audiences of the...
